IMPORTANT: The following instructions are provided for your convenience only. Ten Six Consulting LLC, or its affiliates cannot be held responsible for any consequences arising from the downloading of software from Oracle's e-delivery software cloud.

Download and use of Oracle Primavera software is your responsibility. You must read the terms and conditions for downloading this software and agree to them before downloading and installing.

Primavera P6 is NOT FREE SOFTWARE and as such is not included in the price of the Ten Six training course. The Oracle terms and conditions specify that Primavera P6 Professional and any and all other software available on the e-delivery website is trial software that may be used for a limited period of time before it must be purchased or removed/deleted.

Oracle Primavera P6 Professional software is not provided to you as part of the Ten Six Online Video Training price; it is simply recommended that you have a copy available to you for practicing the techniques shown in the video lessons.

Download Instructions:

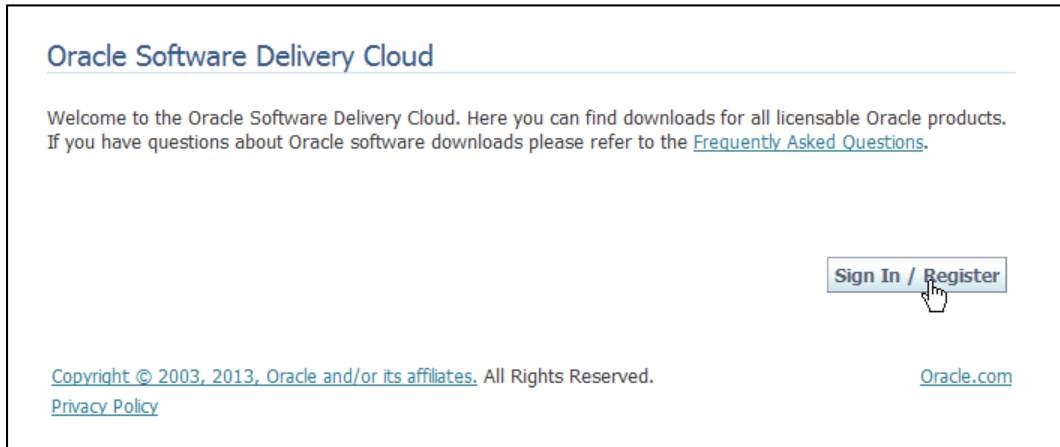

Primavera P6 Professional R8.3 can be downloaded from Oracles e-delivery cloud website at the following URL:

<https://edelivery.oracle.com/>

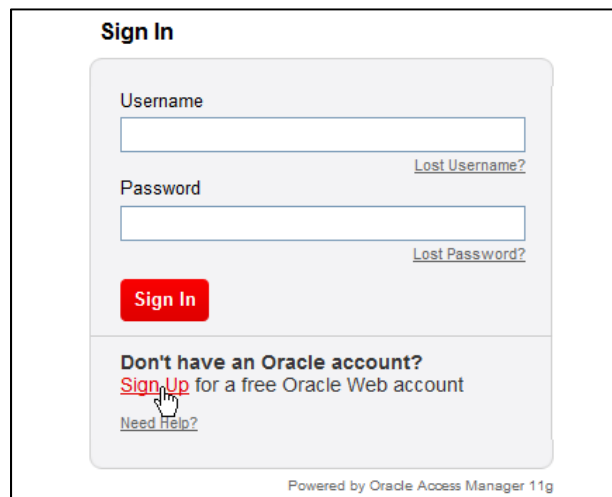

You will need to create a login account in order to access the Oracle software cloud.

Creating a Login Account (Registering) with Oracle:

Click on the **Sign In / Register** button.

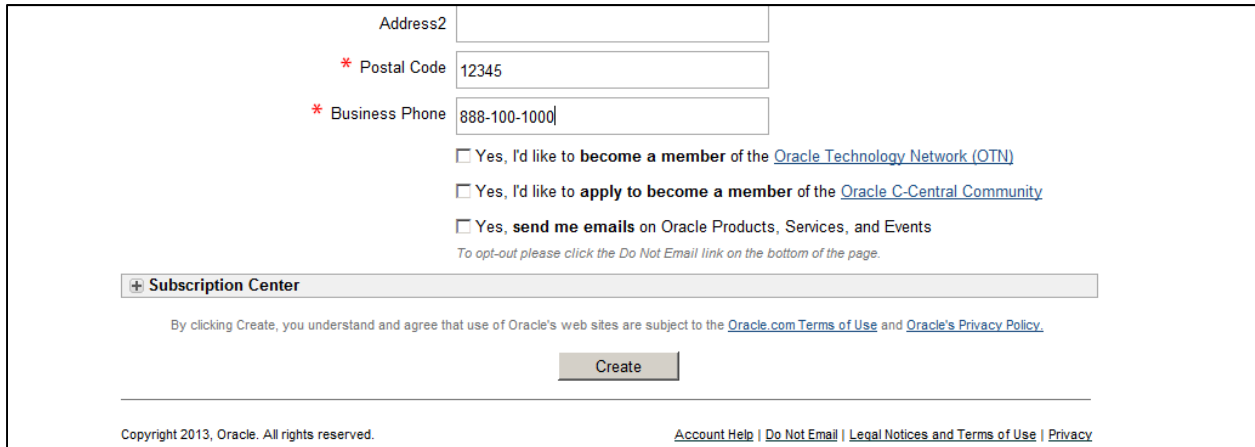

In the **Sign In** page, click on the **Sign_Up** link below the “Don’t have an Oracle account?” prompt.

In the resulting **Create an Oracle Account** page, fill in all the required fields and then click the **Create** button to create your account.

The screenshot shows a web form for creating an Oracle account. It includes input fields for 'Address2', 'Postal Code' (with a red asterisk), and 'Business Phone' (with a red asterisk). Below these are three checkboxes for joining the Oracle Technology Network (OTN), Oracle C-Central Community, and receiving emails. A 'Subscription Center' section is collapsed. A 'Create' button is centered below the form. At the bottom, there is a copyright notice for 2013 and several links: Account Help, Do Not Email, Legal Notices and Terms of Use, and Privacy.

Having created an Oracle account, click on the **Sign In / Register** button and login to the site.

The screenshot shows the Oracle Software Delivery Cloud homepage. The header features the Oracle logo and 'Oracle Software Delivery Cloud' text. Navigation links include 'Sign Out', 'Cloud Portal (Main)', 'Language (English)', and 'FAQs'. The main content area has a heading 'Oracle Software Delivery Cloud' and a welcome message with a link to 'Frequently Asked Questions'. A 'Sign In / Register' button is highlighted with a mouse cursor. The footer contains copyright information for 2003, 2013, and a link to the 'Privacy Policy'.

You will then need to read through and agree to the terms and conditions of use for all Oracle software.

Signifying acceptance of this trial license by selecting the "I accept the License Terms and Export Restrictions" checkbox below is an indication of your agreement, as an authorized representative of your company ("you"), to comply with all of the following trial license terms and conditions with respect to the Programs (as defined below) used by you in accordance with this Oracle Software Delivery Cloud Trial License Agreement (this "Agreement").

GENERAL INFORMATION

1 YES, I accept the Trial License Terms and Export Restrictions and I acknowledge that I have reviewed and understand the agreement and agree to use the language I selected in entering into this agreement.
OR, I have already obtained a license from Oracle which governs my use of the software. I understand that Oracle has recently acquired Sun Microsystems, Inc. and that some of the downloads may contain or refer to a Software License Agreement and/or Entitlement in the legal directory, readme file, or elsewhere. I acknowledge that the Oracle or Oracle partner license described in (1) above, or the Oracle Software Delivery Cloud Trial License Agreement (including export restrictions) described in (2) above, supersede and replace any terms contained in any other Software License and/or Entitlement document including those written in the legal directory or readme file.

Export Restrictions

You agree that U.S. export control laws and other applicable export and import laws govern your use of the programs, including technical data; additional information can be found on Oracle's [Global Trade Compliance Web site](#).

You agree that neither the programs nor any direct product thereof will be exported, directly, or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation.

Oracle Employees: Under no circumstances are Oracle Employees authorized to download software for the purpose of distributing it to customers. Oracle products are available to employees for internal use or demonstration purposes only. In keeping with Oracle's trade compliance obligations under U.S. and applicable bilateral law, failure to comply with this policy could result in disciplinary action up to and including termination. **3**
